Sir:

TERMINAL DISCLAIMER

Petitioner, Johns Manville International, Inc., having a place of business at 717 Seventeenth Street, Denver, CO 80202, represents that it is the owner of the entire right, title, and interest of U.S. Patent Application Serial No. 10/607,858, filed June 27, 2003, for "Gypsum Board Faced With Non-Woven Glass Fiber Mat." The entire right, title, and interest of said application was first assigned by the inventor to Johns Manville International, Inc., by Assignment recorded on September 29, 2003, at Reel 014550, Frame 0164.

Petitioner hereby disclaims the terminal part of any patent on the above-identified application which would extend beyond the expiration date of any patent(s) issued from U. S. Patent Application Serial No. 10/608,790, and hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from U. S. Patent Application Serial No. 10/608,790, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successor or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory period as presently shortened by any terminal disclaimer of any patent issuing from U. S. Patent Application Serial No. 10/608,790, in the event that such patent later: expires for failure to pay a maintenance fee; is held unenforceable; is found invalid; is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a); had all claims canceled by a reexamination certificate; or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The undersigned is empowered to act on behalf of Johns Manville International, Inc., with respect to this submission.

I have reviewed the file history for the above-identified patent application and certify that, to the best of my knowledge and belief, the entire right, title, and interest in the invention of the above-identified patent application is held by Johns Manville International, Inc.

Authorization is hereby given to charge Deposit Account No. 10-0625 in the amount of \$140 to cover the fee for filing this Terminal Disclaimer.

Respectfully submitted,

Alan M. Jaffee
